

Shinn Capital Group, Inc., Moves for a Default Judgment Against Colm J. King, Hard to Treat Diseases, Inc., of Florida and Others

Thursday September 29, 7:00 pm ET

OKLAHOMA CITY--(BUSINESS WIRE)--Sept. 29, 2005--Dr. Ronald Shinn, President and CEO of Artec, Inc. (Pink Sheets: ATKJ - News) announced today that Shinn Capital Group, Inc. has moved for a Default Judgment against Defendants Colm J. King, Hard to Treat Diseases, Inc., a Florida corporation, and Others in the District Court in Oklahoma City. In the lawsuit, Shinn Capital Group, Inc. has sought, among other things, all Tubercin samples, test reports, studies, lab notes, protocols, statistical data, opinions and conclusions regarding studies relating to Tubercin.

"We will move quickly to obtain an Order granting the default judgment against Defendants and intend on vigorously pursuing all other rights and claims against Defendants in this lawsuit," states Dr. Shinn. Artec holds a sub-license agreement for the development and marketing of Tubercin from Shinn Capital Group, Inc.

Also, Artec, Inc., is very happy with its new office operating in Oklahoma City . Those of you in the Oklahoma City area are welcome to visit our office. Gerry Knight, Executive Vice President is in charge of this office and is active in promoting Tubercin for Artec, Inc.

"We are aggressively pursuing Tubercin claims outside of Oklahoma . We will provide you information when those legal actions take place," states Gerry Knight.
