

# **Ownership of Tubercin Confirmed by Court Ruling**

Monday July 11, 12:17 pm ET

SACRAMENTO, Calif.--(BUSINESS WIRE)--July 11, 2005--Dr. Ronald Shinn, President and CEO of Artec, Inc. (Pink Sheets: ATKJ - News ) announced a Federal Court ruling declaring Shinn Capital, Inc's ownership of rights to Tubercin. Artec holds a sub-license agreement for the development and marketing of Tubercin from Shinn Capital. A copy of the complete opinion can be found on the website of Artec Inc. ([www.artec-inc.net](http://www.artec-inc.net) ), under Press Release; shareholders and other interested persons are encouraged to read the ruling in its entirety. "We are grateful for the time and attention that the Court gave to this matter, and obviously are pleased that the Court confirmed the ownership of Tubercin," states Dr. Shinn. Artec will be updating its Disclosure Statement and financial information on [www.pinksheets.com](http://www.pinksheets.com) this week, and plans an announcement with respect to Artec's development and marketing plans for Tubercin later this month.
